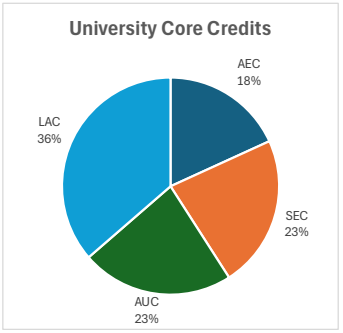
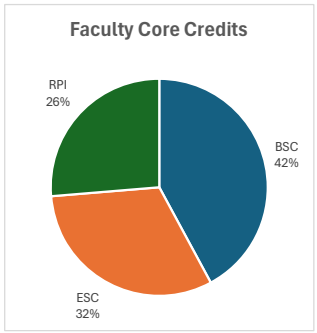
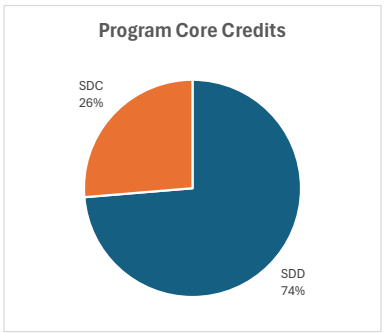
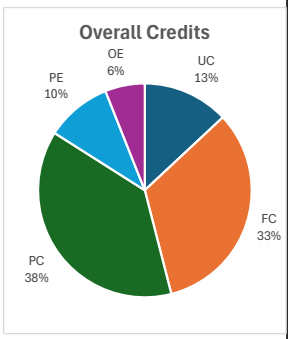
Total Credits for BTech CSE AIML					64	165												









1.**University Core**: Fundamental courses mandated by the university to provide a broad and essential foundation across disciplines.
2.**Faculty Core**: Core courses specific to a faculty, aimed at building foundational knowledge in the respective academic domain.
3.**Program Core**: Mandatory courses tailored to a specific program, focusing on essential knowledge and skills within the field of study.
4.**Professional Electives**: Specialized elective courses offering advanced knowledge and skills related to the professional domain.
5.**Open Electives**: Flexible elective courses chosen by students from a wide range of disciplines to explore diverse interests.
6.**Ability Enhancement Courses**: Courses designed to improve essential communication, reasoning, and analytical skills, enhancing overall academic and professional competency.
7.**Skill Enhancement Courses**: Practical-focused courses aimed at building technical, vocational, and soft skills relevant to employability and career growth.
8.**Audit Courses**: Mandatory non-credit courses undertaken voluntarily for knowledge enhancement without impacting grades or GPA.
9.**Liberal Arts**: Courses in humanities, social sciences, and creative arts, promoting critical thinking, design thinking, innovation and holistic education.
10.**Basic Sciences**: Foundational science courses that provide the basic principles and theories essential for advanced learning.
11.**Engineering Sciences**: Core engineering courses covering fundamental concepts and applications across various technical disciplines.
12.**Research, Project and Internship**: Academic initiatives combining research, project work, and internships to foster practical problem-solving skills.
13.**Skill Development**: Industry-aligned courses that enhance professional, technical, and employability skills in students.

Note:	***PC (Track)^***	*B.Tech. CSE students must select a track of their interest by the end of Semester 4, with the option to shift to the general track before the end of Semester 5, subject to Department and Dean approval.*
	PE*	*May opt from any one/multiple segment(s)/general PEs from the offered list of courses by the Dept/School*
	OE#	*May opt from any one/multiple categories Oes from the offered list of courses by the Dept/School*
ABB.	**PRE-REQ**	*Pre-Requisite*
	S/NS	*Satisfactory/Not Satisfactory*
	MOOCS	*Courses/Global Certifications approved by BoS*
	EVAL	*Evaluation Pattern for Courses*
